Re: Survey on School Board Communications

Dear Parents / Guardians, Members of Staff and Adult Students:

In an effort to provide better services to school communities and families, the Western Québec School Board is interested in your thoughts on how we communicate with our parents/guardians, adult students, members of staff, and to the wider community. We are looking at making improvements in the near future and were hoping to get your feedback to help inform us in our decision-making.

This survey should take approximately 5 minutes to complete. Please know we will not be collecting information that could be used to identify you. You may access the link to the survey from forms.office.com/r/Lg92me5WXT or use the QR code on the back in the poster on the reverse side of this letter. The survey will be active until Thursday, December 21st at 4:00 PM.

Should you have any questions or concerns about the survey, please do not hesitate to contact me at ekeon@wqsb.qc.ca. Thank you again for taking the time to provide valuable feedback to us.

Respectfully,

Eldon Keon
