

D'Arcy McGee High School
Prom Committee

Dear Parents of the Graduating Class of 2026,

In previous years, the school prom has been organized by a third-party company from start to finish to remove all liability from the school and the Western Quebec School Board. While these events were always successful, the cost was quite elevated, resulting in high ticket prices that were not necessarily accessible to all graduating students.

In an effort to ensure inclusivity and keep costs as low as possible, the executive members of the 2026 D'Arcy McGee Prom Committee, along with parent representatives, have decided to go in a different direction and take on the planning from A to Z on their own. The event remains exclusively run and organized by the students, with no involvement from the school's administration or the board. In other words, they remain **not responsible** for the event or for any of the planning or decision-making.

As we prepare to celebrate the achievements of our graduating seniors, the Prom Committee is working hard to make this year's prom an unforgettable event for all. We are reaching out to our parent community for support to help make this possible.

This year, we are seeking:

- **Monetary donations** (to help lower ticket costs and make prom more accessible to everyone)
- **Event support** (helping hands for tasks such as set-up, clean-up, ticket collection, or other logistical needs on prom day)

Your contribution—whether financial or through volunteering—will play a direct role in ensuring that every graduate has the opportunity to take part in this milestone celebration.

If you would like to donate, volunteer, or share ideas, please contact us at:
darcyprom2026@gmail.com.

All funds raised will go directly towards the event, and any remaining money will be donated back to the school as a legacy gift on behalf of the 2026 D'Arcy McGee graduates. The committee will continue to send updates to parents and guardians as

planning progresses, to keep everyone informed. Reminder: this is a **student-run event** with no involvement from the school or its administration. All questions, comments and concerns should go to the committee.

Thank you for your continued support—we look forward to working together to create a truly memorable prom for our graduating class.

Warm regards,

Prom Committee 2026
